

Facilitation Skills

JUNA's Signature Facilitation Workshop

Facilitation skills are vitally important for any individual involved with:

- ✓ Delivering workplace training or information sessions
- ✓ Leading meetings
- ✓ Facilitating planning sessions

JUNA's Facilitation Skills workshop helps participants master the art of facilitation in a 3-day workshop format covering the following topics:

Adult Learning Principles

Presentation Skills

Climate Setting

Handling Difficult Situations

Effective Instruction

Group Facilitation

Opening & Closing Sessions

Practice Presentations (with feedback)

Taught by Master Instructor, **Julianna Cantwell**, who has **20 years** experience in Training and Development, this workshop will increase participants' **ability to lead and make an impact** with internal and external stakeholders.
