

## Conflict in The Workplace is Expensive

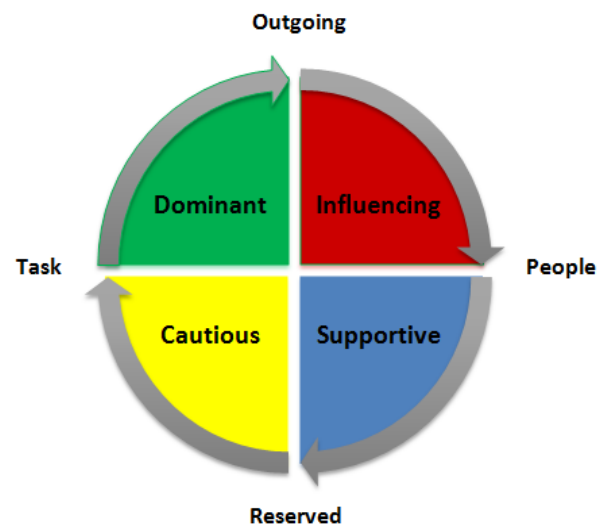

Studies have shown that employees spend almost **3 hours a week** dealing with conflict, resulting in approximately **\$359 Billion USD** in wasted wages.

JUNA offers DISC Personality Assessments that help your employees understand themselves and others better, which decreases costly conflict in the workplace. DISC workshops also increase collaboration and improve attitudes within work groups - creating healthier, more effective teams!

We facilitate tailored workshops that help you:

- ❏ Identify your natural **personality style**
- ❏ **Improve awareness** of your natural tendencies and communication style
- ❏ **Understand** other personality styles and their communication needs
- ❏ Recognize **potential conflicts** within your work teams
- ❏ Adapt your communication styles to **improve working relationships** and increase productivity
